Subject: Limited English Proficiency (LEP) Policy		Page:	1 of 1

The Department of Labor & Economic Growth will provide language assistance to any Limited English Proficient person seeking services from the Department of Labor & Economic Growth and requesting such assistance. This policy is promulgated consistent with State and Federal laws and Federal Executive Order 13166, "Improving Access to Services for Persons with Limited English Proficiency".

This policy statement and attached plan supersedes any existing LEP plans.

The State of Michigan and the Department of Labor & Economic Growth and I as the Department Director firmly support providing language assistance to limited English proficient current or prospective customers. I will ensure that the Department of Labor & Economic Growth is committed to providing this service.
